Discussion and Possible Action regarding Resolution No. R-19-030 Awarding the Sale of \$2,510,000 General Obligation Corporate Bonds, Series 2019A: Todd Taves from Ehlers passed out a handout and went over the sales results of the bonds. He stated the winning bid was from the Baker Group at a true interest rate of 2.3058%. Taves stated with the favorable issuance expense and underwriting discount along with the premium bid offer it dropped the bond from \$2,510,000 to \$2,480,000. He stated with the bid, by State Statute, that \$95,816 would be required to be placed in the debt service fund to offset interest payments. From the presale estimate that was approved originally there will be a savings over the life of the bond of \$125,521. Taves went over the Moody's report and stated that the City was still rated at Aa2. After further discussion a motion was made by Kemp, seconded by Posey to recommend Resolution No. R-19-030 awarding the sale of \$2,480,000 General Obligation Corporate Bonds, Series 2019A and to be forwarded to the City Council for approval. Motion carried 3-0.

Discussion and Possible Action regarding the City Investment Report for May 2019: Lamers stated there was a decrease in investments due to debt payments and all the expenditures for projects.

Discussion and Possible Action regarding the Revenue and Expenditure Report for May 2019: Lamers asked the committee if they would like the report that is in the packet monthly which is a summary and passed out a couple pages of a more detail report which would be about 37 pages of all expenditures. The Committee would like to take the direction of getting a summary monthly.

The next Finance Committee meeting is on July 8th. The Police and Fire Departments will be presenting their capital requests at the July 8th meeting.
