

# City of Verona

## Public Works Newsletter

### Spring 2021

#### Granite Chip Sealing

The following is a list of streets that will receive chip-seal using an asphalt emulsion with an aggregate topcoat. This will seal and enhance the life of the pavement surface. The City expects this to be completed around June 2021, weather permitting. Other areas of the City not on the list may receive crack-filling as needed.

- Maple Road (Basswood Ave to Poplar Way)
- Walnut Street (Mahogany Way to Cross Country Road)
- Poplar Way (Tamarack Way to Walnut Street)
- Spruce Street (Tamarack Way to Maple Road)
- Spruce Circle
- Birch Court
- Hickory Court
- Ash Court
- Pine Court
- Cedar Court
- Tamarack Way (Cross Country Road to Esker Drive)
- Esker Drive
- Carter Court
- Kettle Woods Drive
- Lone Pine Way (Tamarack Way to Hemlock Drive)
- Ashton Drive (Lone Pine Way to Hemlock Drive)
- Drumlin Drive
- Kettle Court

#### Pavement Surface Overlay

This summer the City will also be adding polymer overlays to all four of the bridges that the City owns and maintains. This overlay will seal all the small cracks that have formed in the surface of the bridge, keeping corrosion from occurring to the steel reinforcement in the bridge.

- Bruce Street Bridge over the Badger Mill Creek
- Old PB Bridge over the Badger Mill Creek
- Stewart's Woods Road Bridge over the Dry Tributary
- Wildcat Way Bridge over the Military Ridge State Trail

#### Other Projects

Other upcoming or on-going Public Works projects include: Eastside Interceptor Gravity Sanitary Sewer, Lincoln Street Storm Water Pond, North Main Street Water Main Replacement, and US 18/151. For more information including maps for these projects, please see the Public Works Project page at: [veronawi.gov/552/Projects](http://veronawi.gov/552/Projects) or call Public Works at **608-845-6695**.

#### Free E-waste Day Resuming 2021!

Though the free e-waste collection day was cancelled in 2020 due to COVID-19 concerns, the City does plan on holding this in 2021. It is usually scheduled for a Saturday in October; look for the exact date on September water bills and on the City website.

## Curbside Collection Reminder

The City of Verona does **NOT** collect yard waste (grass clippings, leaves, etc) in the Spring or Summer! All yard waste must be brought down to the Public Works drop-off site at 410 Investment Ct.

[veronawi.gov/480/Drop-Off-Site-E-Waste](http://veronawi.gov/480/Drop-Off-Site-E-Waste)

## Managed Burns at Stormwater Basins

The City has planned several managed burns at stormwater basins throughout the City. The burns will be conducted by Applied Ecological Services, a company the City has worked with on similar maintenance projects over the past several years. Prairie burns are a widely accepted vegetation management technique that helps promote native vegetation and suppress invasive plant species. It is typical to burn in the Spring due to a longer available burn season.

Virtual presentations are scheduled through the Verona Public Library to provide more information and to provide an opportunity to ask questions. If you would like more information, please register to attend one of the sessions at the website listed below:

[veronapubliclibrary.org/events](http://veronapubliclibrary.org/events)

March 23, 2021 at 6:30PM – Storm Water Basin Maintenance Management Strategies

March 30, 2021 at 6:30PM – Storm Water Basin Vegetation Burns

April 1, 2021 at 6:30PM – Storm Water Basin Vegetation Burns (same information as March 30)

The March 23 presentation will be more general and provide information beyond vegetation burns. The March 30 and April 1 presentations will specifically focus on the burns scheduled for the spring of 2021.

Property owners adjacent to the planned burns have been notified via mailed letter. For more information, please contact Marty Cieslik at [marty.cieslik@ci.verona.wi.us](mailto:marty.cieslik@ci.verona.wi.us) and put “Basin Burn” in the subject line.

## A Note from the Recreation Department:

Spring and summer program registration is going on now! New this summer is a week-long Ultimate Frisbee camp taught by players from the Radicals, Madison's professional Ultimate team! And don't forget your other favorite programs, like NFL Flag Football and Dance – sign up today!

Know anyone looking for a fun summer job working and playing outside with kids? The Rec Department will also be hiring for summer counselor and instructor positions soon! We are looking for fun-loving, dependable individuals who want to help us make a difference in the community. Applicants must be at least 14 years old. Jobs will be posted at:
